^{*}NOTE: During the interim period between the effective date of the rules and an Applicant's Detariffing Filing, changes to existing business Tier 2 and all toll services, including the addition of new business Tier 2 and all new toll services, will be processed as 0-day TRF filings, and briefly described in the "Other" section above.

All Section I and II applications that result in a change to one or more tariff pages require, at a minimum, the following exhibits. Other exhibits may be required under the applicable rule(s). ACN, ACO, AMT, ATC, ATR, and CIO applications see the 4901:1-6-14 Filing Requirements on the Commission's Web Page for a complete list of exhibits.

500 tile 150.	111 0 1 1 1 mmg 110 quantum on one commission s ++ on 1 mg 101 w compact is to 1 mm 1000
Exhibit	Description:
A	The tariff pages subject to the proposed change(s) as they exist before the change(s)
В	The Tariff pages subject to the proposed change(s), reflecting the change, with the change(s) marked in the right
	margin.
C	A short description of the nature of the change(s), the intent of the change(s), and the customers affected.
D	A copy of the notice provided to customers, along with an affidavit that the notice was provided according to the
	applicable rule(s).

AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an officer/agent of the applicant corporation, AT&T Ohio

, and am authorized to make this statement on its behalf.

I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) Pursuant to Chapter 4901:1-5 OAC for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 14, 2007

at Cleveland, Ohio

*/s/ Maryann H. Mackey Sr. Director, Regulatory Affairs December 14, 2007

This affidavit is required for every tariff-affecting filing. It may be signed by counsel or an officer of the applicant, or an authorized agent of the
applicant.

VERIFICATION

I, Maryann H. Mackey verify that I have utilized the Telecommunications Application Form for Routine Proceedings provided by the Commission and that all of the information submitted here, and all additional information submitted in connection with this case, is true and correct to the best of my knowledge.

* /s/ Maryann H. Mackey Sr. Director, Regulatory Affairs

December 14, 2007

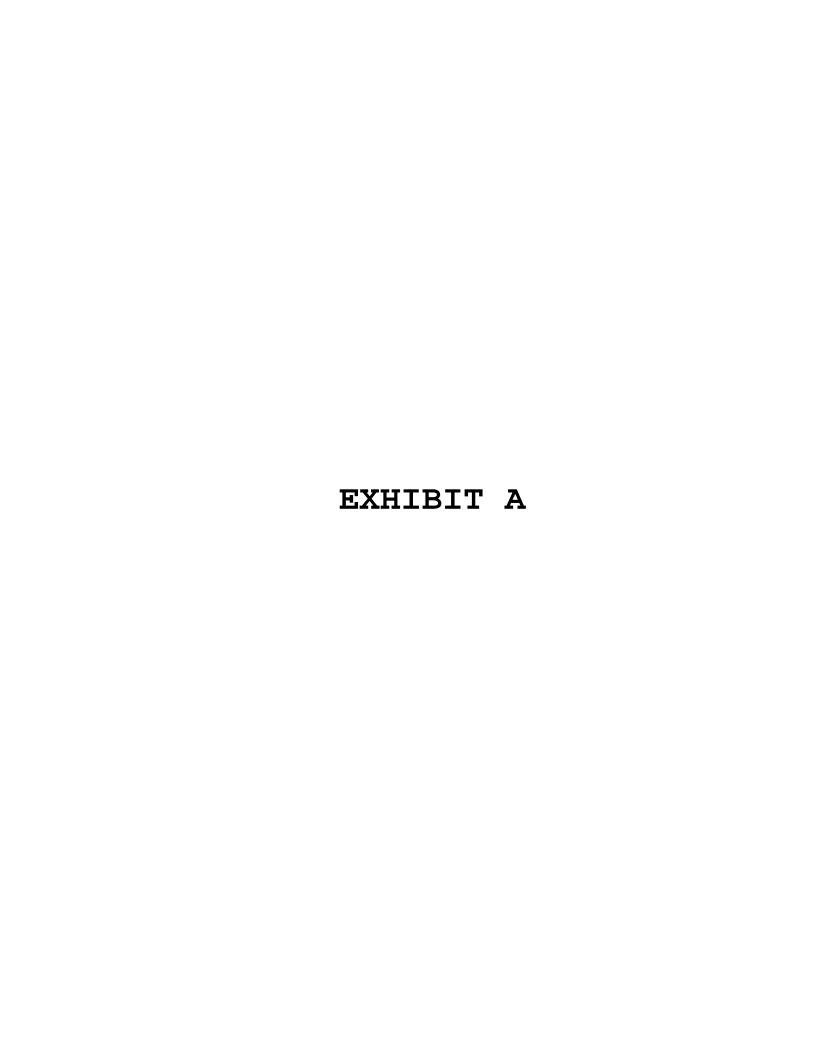

*Verification is required for every filing. It may be signed by counsel or an officer of the applicant, or an authorized agent of the applicant.

Send your completed Application Form, including all required attachments as well as the required number of copies, to:

Public Utilities Commission of Ohio Attention: Docketing Division 180 East Broad Street, Columbus, OH 43215-3793

10. AMERITECH PREPAID CALLING CARD

A. General

The Ameritech Prepaid Calling Card allows customers to prepay for their intraLATA calling usage carried by the Company when calling from any Touch-Tone telephone in the North American Dialing Plan. Customers placing a call using this service will dial a toll free number to place the call. After billing validation is complete the call is processed as dialed. At the completion of the call the total usage charge is deducted from the card. The customer is then informed of the amount remaining on the card. The customer may recharge a depleted card by calling a toll free number and using a credit card.

B. Regulations

1. No refunds will be given for lost or stolen cards, or for unused prepaid usage.

C. Rates and Charges

11. AMERITECH "A+" PREPAID CALLING CARD

(N)

A. DESCRIPTION

The Ameritech "A+" PrePaid Calling Card allows card users to prepay for their outbound intraLATA calling usage carried by the Company.

Ameritech "A+" PrePaid Calling Card can be used to place calls from any North American Dialing Plan touch-tone telephone to any other telephone in the Dialing Plan and to many international numbers.

Calls may only be charged against an Ameritech "A+" PrePaid Calling Card that has a sufficient available balance. The total usage charge is deducted from the card at the completion of the call.

Ameritech "A+" PrePaid Calling Card balances will be reduced and depleted based upon usage. Card users are informed of the amount remaining on the card at the beginning of the call.

Card users are advised when the time remaining on the card falls below one minute, giving them sufficient time to end the conversation. When the balance of available time is depleted, the call will be terminated.

B. DEFINITIONS

Ameritech "A+" PrePaid Calling Card

A card available to end users in unit denominations. It can be used to place prepaid sent-paid calls from any touch-tone telephone.

Customer

Entity in whose name the original qualifying purchase was made. Related entities, such as affiliates and subsidiaries, spouses, and relatives, shall not be treated as the customer.

(N)

Issued: July 1, 1997 Effective: July 1, 1997

C. TERMS AND CONDITIONS

- 1. Calls are billed in one minute increments. Fractional minutes are rounded up to the next full minute.
- 2. No refunds will be given for lost, stolen cards, or for unused prepaid usage.
- 3. Calls to 555, 700, 800, 888, 900, 950, or 976 numbers as well as for Directory Assistance, operator service, busy line verification and interrupt services will not be completed using the Ameritech "A+" PrePaid Calling Card.
- 4. Operator surcharges do not apply with this service.
- 5. Except as may be specifically referenced therein, calls utilizing Ameritech "A+" PrePaid Calling Card service are not included in any Optional Calling Plans or promotions.

D. FEATURES

1. Standard Features

Recharging: Additional units may be added to unexpired cards by acceptable payments to the Company (ex., credit card). Such additional units will be charged at the recharging rate shown in Paragraph E. following. There is no additional charge for this feature to the enduser.

2. AMERITECH VALUE CALLING PLAN

Note: Effective April 1, 1995, no further installation of, or changes to Ameritech Value Calling Plan (AVCP) will be made. Ameritech Value Calling Plan in service on April 1, 1995, will be continued in service until contract expiration date.

A. General

Ameritech Value Calling Plan (AVCP) is an optional service which provides a per minute rate in lieu of the rates which are normally applicable to Message Toll Telephone Service. AVCP is available for calls originating from the exchange areas designated below:

The Ohio Bell Telephone Company

- All exchange areas as set forth in Part 4, Section 1 of this tariff.

Other Telephone Companies

- The Western Reserve Telephone Company
- The Vanlue Telephone Company

(T)/2/

(T)/2/

B. Regulations

In addition to the regulations set forth in other sections of this tariff, the following regulations apply to this service.

- 1. AVCP rates apply only to customer-dialed station-to-station calls.
- 2. The AVCP rate is available 24 hours a day, seven days a week.
- 3. AVCP is offered on a 12 and 36 month payment plan.

/3/

- /1/ Also cancels Original Pricing List Sheet No. 8 in this Section.
- /2/ Material formerly appeared on Original Pricing List Sheet No. 8 in this Section.
- /3/ Material now appears on Original Sheet No. 8.1 in this Section.

2. AMERITECH VALUE CALLING PLAN (cont'd)

/1/

B. Regulations (cont'd)

- 4. A fixed monthly usage package rate as set forth in C. following applies to AVCP in addition to the per minute rate. Four different monthly usage package plans are available. The monthly usage package plans are different levels of minimum monthly usage among which customers may choose. This monthly usage package rate is in addition to the rates and charges for the associated local exchange service. The monthly usage package rate selected by the customer will be the minimum monthly usage charge for the service at the payment plan selected by the customer. The monthly usage package rate will be applied as a credit to the total customer-dialed station-to-station charges per month.
- 5. Customers who terminate their 12 and 36 month payment plan prior to the expiration of the term of the plan selected will be required to pay the monthly usage package rate for the number of months remaining in the term of the plan selected.
- 6. At the completion of the 12 and 36 month payment plan, the rates for Schedule A or B will apply, as applicable.
- 7. Customers may upgrade to a higher usage package as long as the term of the new usage package is equal to or longer than the current plan.
- 8. Customers may downgrade to a lower usage package as long as the term of the new usage package is equal to or longer than the current plan.

2. AMERITECH VALUE CALLING PLAN (cont'd)

C. Rates and Charges

- 1. The AVCP monthly rate, per account, per usage package and per minute rates are those set forth in paragraph 6. below. (T)
- 2. The monthly usage package rate is a minimum usage requirement per month, per account. When the minimum monthly usage requirement is met, it will be applied as a credit to the total AVCP usage charges.
- 3. If the total AVCP usage charges are below the monthly usage package rate in any given month, the full amount of the applicable monthly usage package rate will apply.
- 4. An S&E charge as set forth in Part 3, Section 1 of this tariff applies to change to or from AVCP.
- 5. AVCP contract rates will not increase if an increase in message toll service rates occur during the contract period.
- 6. Ameritech Value Calling Plan
