D. ESTABLISHMENT AND FURNISHING SERVICE (Continued)

6. PAYMENT FOR SERVICE

The subscriber is required to pay all charges for exchange service and facilities and for toll messages in accordance with provisions contained in Section 2.

The subscriber is held responsible for all charges for telephone service rendered at his telephone, both exchange and toll including charges for toll messages on which the charges have been reversed.

7. MAINTENANCE AND REPAIR

All ordinary expense of maintenance and repair, unless otherwise specified in the Telephone Company's Tariff, is borne by the Telephone Company. Effective January 1, 1987 the subscriber assumed the financial responsibility for installation and maintenance of simple and complex inside wire. 8. UNUSUAL INSTALLATION COSTS

Where special conditions or special requirements of the subscriber involve unusual construction or installation costs, the subscriber may be required to pay a reasonable proportion of such costs.

9. DEPOSITS

(T)(M)

When the Company assesses a deposit, it will do so based on the subscriber's average monthly bill, using the subscriber's service account billing history for the same recurring regulated charges for the class of service the subscriber is seeking to establish.

E. TELEPHONE DIRECTORIES

1. The Telephone Company will furnish to its subscriber without charge one directory per main station service. Directories for each subscriber for extension station will be furnished without charge only upon the customer's request.
