Re: REX East Project  
Rockies Express Pipeline, LLC  
Docket No. CP07-208-000  
Comments to Draft Environmental Impact Statement of John Forman

Dear Ms. Bose:

When I submitted my submission on Monday, I attached a map indicating a proposed alternate route for the pipeline. This map contained a color-coded key. Somehow in the reproduction of that map, the background was altered and colors were lost in that background. Please find enclosed a copy of a better print out, properly outlining the colors on the map with the key.

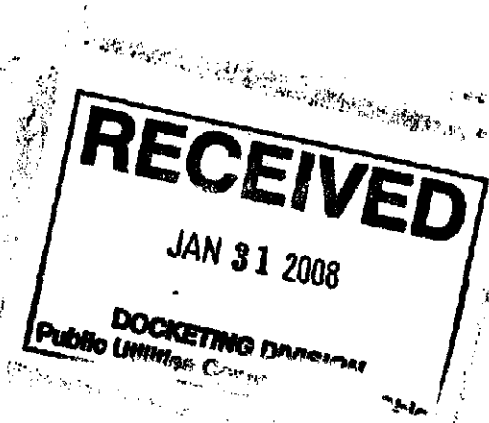

I apologize for any inconvenience caused by this. If you have any questions, please do not hesitate to contact me.

Sincerely,

Matthew W. Fellerhoff
