Section III. – Attestation

Registrant hereby attests to its compliance with pertinent entries and orders issued by the Commission.

AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an officer/agent of the applicant corporation, Patrick D. Crocker, and am authorized to make this statement on its behalf.
(Name)

I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) Pursuant to Chapter 4901:1-5 OAC for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

LOCAL EXCHANGE SERVICES

SECTION 1 - DEFINITIONS

Certain terms used generally throughout this tariff are defined below.

Account Codes: Allows a User to allocate local calls to a digital, nonverified account code.

Advance Payment: Payment of all or part of a charge for special construction required before the start of service.

Authorized User: A person, firm, corporation or other entity that either is authorized by the Customer to use local exchange telephone service or is placed in a position by the Customer, either through acts or omissions, to use local exchange telephone service.

Call Forward Busy: Automatically routes incoming calls to a designated answering point when the called line is busy.

Call Forward No Answer: Automatically routes incoming calls to a designated answering point when the called line does not answer within a pre-specified number of rings.

Call Forward Variable: Automatically routes incoming calls to a designated answering point, regardless of whether the user's Station is idle or busy.

Call Hold: Allows the User to hold one call for any length of time provided that neither party goes On-Hook.

Call Park: Allows a User to "park" a call against their directory number within the business group and "unpark" the call from any other directory number. A business group consists of a series of Customer-defined telephone numbers.

Call Pickup: Allows a User to answer incoming calls to another Station line within a defined call pickup group. Call Pickup is provided as either Group Call Pickup, where predesignated groups can pickup each other's calls by activating an access code or a feature key, or Directed Call Pickup, where dialing a different access code followed by the extension number can retrieve any call.

Call Transfer/Consultation/Conference: Provides the capability to transfer or add a third party, using the same line.

Call Waiting: Provides the User with a burst of tone to indicate that another call is waiting. The second call can either be answered by flashing the switchhook or hanging up the phone and being rung back by the caller.

Call Waiting Cancel: Allows a User to cancel the Call Waiting feature on a per call basis by dialing a specific two-digit code.

SECTION 1 – DEFINITIONS (continued)

Calling Number Delivery: Identifies the 10-digit number of the calling party.

Calling Number Delivery Blocking: Blocks the delivery of the number to the called party on a per call or per line basis.

Class of Service (COS): Used to prevent a Station from dialing certain codes and numbers.

Company: STERLING TELECOM, INC., which is the issuer of this tariff.

Commission: The Public Utilities Commission of Ohio.

Conference/Six-Way: The User can sequentially call up to five other people and add them together to make up a six-way call.

Customer: The person, firm, corporation or other entity, which orders service and is responsible for the payment of charges and for compliance with the Company's tariff regulations.

Customer Group Dialing Plan: A dialing scheme shared by the members of a Customer group, such as 4 digit internal dialing.

Dial Pulse (DP): The pulse type employed by rotary dial Station sets.

Direct Inward Dialing (DID): A service attribute that routes incoming calls directly to Stations, bypassing a central answering point.

Do Not Disturb: Allows the User to prevent incoming calls from ringing its line by diverting them to a tone or a recorded announcement that informs the caller that the User is not accepting calls at this time.

Dual Tone Multi-Frequency ("DTMF"): The pulse type employed by tone dial Station sets.

Hunting: Routes a call to an idle Station line. With Serial Hunting, calls to a member of a hunt group will search from that point to the end of the group and stop.

Individual Case Basis: A service arrangement in which the regulations, rates and charges are developed based on the specific circumstances of the Customer's situation.

Joint User: A person, firm or corporation designated by the Customer as a user of local exchange service furnished to the Customer by the Company, and to whom a portion of the charges for such facilities are billed under a joint use arrangement.

LOCAL EXCHANGE SERVICES

SECTION 1 – DEFINITIONS (continued)

Recurring Charges: The monthly charges to the Customer for services, facilities and equipment, which continue for the agreed upon duration of the service.

Presubscription: Presubscription is an arrangement whereby an end user may select and designate to the Telephone Company an interexchange carrier (IXC) to access, without an access code, for toll calls. This IXC is referred to as the end user's predesignated IXC.

Service Commencement Date: The first day following the date on which the Company notifies the Customer that the requested service or facility is available for use, unless extended by the Customer's refusal to accept service which does not conform to standards set forth in the Service Order or this tariff, in which case the Service Commencement Date is the date of the Customer's acceptance of service. The parties may mutually agree on a substitute Service Commencement Date.

Service Order: A request for local exchange service by the Customer in a format specified by the Company. Service Orders shall contain or reference the name and address of the Customer, a specific description of the services ordered, the rate to be charged, the duration of the services, and the terms and conditions in this tariff. The Customer may initiate a Service Order by telephone, e-mail or other electronic means, or in writing, however, the Company reserves the right to require that the Customer prior to initiating service execute Service Orders.

SECTION 2 – REGULATIONS**2.1 Undertaking of the Company****2.1.1 Scope**

The Company undertakes to furnish communications service in connection with one-way and/or two-way information transmission between points within the State of Ohio under the terms of this tariff.

Customers may use services and facilities provided under this tariff to obtain access to services offered by other service providers. The Company is responsible under this tariff only for the services and facilities provided herein, and it assumes no responsibility for any service provided by any other entity that purchases access to the Company network in order to originate or terminate its own services, or to communicate with its own Customers.

2.1.2 Shortage of Equipment or Facilities

2.1.2.1 The Company reserves the right to limit or allocate the use of existing facilities, or of additional facilities offered by the Company when necessary because of lack of facilities or due to some other cause beyond the Company's control.

2.1.2.2 The furnishing of service under this tariff is subject to the availability on a continuing basis of all the necessary facilities and is limited to the facilities the Company may obtain from other carriers, from time to time, to furnish service as required at the sole discretion of the Company.

2.1.3 Terms and Conditions

2.1.3.1 Except as otherwise provided herein, service is provided and billed on the basis of a minimum period of at least one month, and shall continue to be provided until canceled by the Customer. Unless otherwise specified herein, for the purpose of computing charges in this tariff, a month is considered to have 30 days. All calculations of dates set forth in this tariff shall be based on calendar days, unless otherwise specified herein.

2.1.3.2 Customers may be required to enter into written Service Orders which shall contain or reference the name of the Customer, a specific description of the service ordered, the rate to be charged, the duration of the services, and the terms and conditions in this tariff.

SECTION 2 – REGULATIONS (continued)**2.1 Undertaking of the Company (continued)****2.1.3 Terms and Conditions (continued)**

2.1.3.3 At the expiration of the initial term specified in each Service Order, or in any extension thereof, service shall continue on a month to month basis at the then current rates unless terminated by either party upon 30 days written notice. Any termination shall not relieve Customer of its obligation to pay any charges incurred under the Service Order and this tariff prior to termination. The rights and obligations that by their nature extend beyond the termination of the term of the Service Order shall survive such termination.

2.1.3.4 This tariff shall be interpreted and governed by the laws of the State of Ohio without regard of the State's choice of laws provision.

2.1.3.5 Another telephone company must not interfere with the right of any person or entity to obtain service directly from the Company.

2.1.3.6 The Customer has no property right to the telephone number or any other call number designation associated with services furnished by the Company. The Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, assigned to the Customer, whenever the Company deems it necessary to do so in the conduct of its business. Nothing in this provision shall be construed to be inconsistent with number portability requirements.

2.1.3.7 The Customer agrees to operate Company-provided equipment in accordance with instructions of the Company or the Company's agent. Failure to do so will void Company liability for interruption of service and may make the Customer responsible for damage to equipment pursuant to section 2.1.3.8 below.

2.1.3.8 The Customer agrees to return to the Company all Company-provided equipment delivered to Customer within five (5) days of termination of the service in connection with which the equipment was used. Said equipment shall be in the same condition as when delivered to Customer, normal wear and tear only excepted. Customer shall reimburse the Company, upon demand, for any costs incurred by the Company due to Customer's failure to comply with this provision.

SECTION 2 – REGULATIONS (continued)**2.1 Undertaking of the Company (continued)****2.1.4 Liability of the Company**

Because the Customer has exclusive control of its communications over the services furnished by the Company, and because interruptions and errors incident to these services are unavoidable, the services the Company furnishes are subject to the terms, conditions, and limitations specified in this tariff and to such particular terms, conditions, and limitations as set forth in the special regulations applicable to the particular services and facilities furnished under this tariff.

2.1.4.1 The liability of the Company for damages arising out of the furnishing of these services, including but not limited to mistakes, omissions, interruptions, delays, or errors, or other defects, representations, or use of these services or arising out of the failure to furnish the service, whether caused by acts of commission or omission, shall be limited to the extension of allowances for interruption and any other remedies specified by the Commission pursuant to the Minimum Telephone Service Standards.

2.1.4.2 The Company shall not be liable or responsible for any special, consequential, exemplary, lost profits, or punitive damages, whether or not caused by the intentional acts or omissions or negligence of the Company's employees, agents or contractors.

2.1.4.3 The Company shall not be liable for any failure of performance or equipment due to causes beyond its control, including but not limited to: fire, flood or other catastrophes; any law, order, regulation, direction, action, or request of the United States Government, or of any other government, including state and local governments having or claiming jurisdiction over the Company, or of any department, agency commission, bureau, corporation, or other instrumentality of any one or more of these federal, state, or local governments, or any civil or military authority; national emergencies; insurrections; riots; wars; unavailability of rights-of-way or materials; or strikes, lock-outs, work stoppages, or other labor difficulties. Rule 4901:1-5 crediting provisions will apply in accordance with the Minimum Telephone Service Standards and relevant Commission Orders. The Company may apply for an act of God waiver in accordance with Rule 4901:1-5.

SECTION 2 – REGULATIONS (continued)**2.1 Undertaking of the Company (continued)****2.1.4 Liability of the Company (continued)**

2.1.4.4 The Company shall not be liable for any damages or losses due to the fault or negligence of the Customer or due to the failure or malfunction of Customer provided equipment or facilities.

2.1.4.5 The Company shall not be liable for the claims of vendors supplying equipment to Customers of the Company, which may be installed at premises of the Company, nor shall the Company be liable for the performance of said vendor or vendor's equipment.

2.1.4.6 The Company does not guarantee nor make any warranty with respect to installations it provides for use in an explosive atmosphere. The Customer indemnifies and holds the Company harmless from any and all loss, claims, demands, suits, or other action, or any liability whatsoever, whether suffered, made, instituted, or asserted by any other party or person(s), and for any loss, damage, or destruction of any property, whether owned by the Customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location, or use of any installation so provided.

2.1.4.7 The Company shall not be liable for any damages whatsoever to property resulting from the installation, maintenance, repair or removal of equipment and associated wiring unless the damage is caused by the Company's willful misconduct or negligence.

2.1.4.8 The Company shall not incur any liability, direct or indirect, to any person who dials or attempts to dial the digits "9-1-1" or to any other person who may be affected by the dialing of the digits "9-1-1".

2.1.4.9 THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN.

SECTION 2 – REGULATIONS (continued)**2.1 Undertaking of the Company (continued)****2.1.5 Notification of Service-Affecting Activities**

The Company will provide the Customer reasonable notification of service-affecting activities that may occur in normal operation of its business. Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventative maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service activities. The Company will work cooperatively with the Customer to determine the reasonable notifications requirements. With some emergency or unplanned service-affecting conditions, such as outage resulting from cable damage, notification to the Customer may not be possible.

2.1.6 Provision of Equipment and Facilities

2.1.6.1 The Company shall install new service in accordance with Ohio Administrative Code, Rule 4901:1-5 and 4901:1-5.

2.1.6.2 Repair appointments and commitments shall comply with Ohio Administrative Code, Rule 4901:1-5 and 4901:1-5.

2.1.6.3 The Company shall use reasonable efforts to maintain facilities that it furnishes to the Customer. The Customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair or otherwise interfere with any of the facilities installed by the Company, except upon the written consent of the Company.

2.1.6.4 Equipment installed at the Customer Premises for use in connection with the services the Company offers shall not be used for any purpose other than that for which the Company provided it.

2.1.6.5 The Company shall not be responsible for the installation, operation, or maintenance of any Customer provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities. Beyond this responsibility, the Company shall not be responsible for:

- (a) the transmission of signals by Customer provided equipment or for the quality of, or defects in, such transmission; or
- (b) the reception of signals by Customer provided equipment; or
- (c) network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

SECTION 2 – REGULATIONS (continued)**2.1 Undertaking of the Company (continued)****2.1.7 Non-routine Installation**

At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but at the Customer's request extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

2.1.8 Ownership of Facilities

Title to all facilities provided in accordance with this tariff remains in the Company, its agents or contractors.

2.1.9 Telecommunications Service Priority

The Telecommunications Service Priority System is the regulatory, administrative and operational system authorizing and providing for priority treatment, to provide and restore National Security Emergency Preparedness Telecommunications service. Under the rules of the Telecommunications Service Priority System, The telephone company is authorized and required to provide and restore services with Telecommunications Service Priority assignments before services without such assignments. The provision and restoration of Telecommunications Service Priority System services shall be in compliance with Part 64, Appendix A, of the Federal Communications Commission's Rules and Regulations, the guidelines set forth in the Telecommunications Service Priority for National Security Emergency Preparedness Service User Manual and Service Vendor Handbook.

2.2 Prohibited Uses

2.2.1 The service the Company offers shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.

2.2.2 The Company may require a Customer to immediately shut down its transmission of signals if said transmission is causing interference to others.

SECTION 2 – REGULATIONS (continued)**2.3 Obligations of the Customer****2.3.1 General**

The Customer shall be responsible for:

- (a) the payment of all applicable charges pursuant to this tariff;
- (b) reimbursing the Company for damage to, or loss of, the Company's facilities or equipment caused by the acts or omissions of the Customer; or the noncompliance by the Customer, with these regulations; or by fire or theft or other casualty on the Customer's premises, unless caused by the negligence or willful misconduct of the employees or agents of the Company. The Company will, upon reimbursement for damages, cooperate with the Customer in prosecuting a claim against the person causing such damage and the Customer shall be subrogated to the Company's right of recovery of damages to the extent of such payment.
- (c) providing at no charge, as specified from time to time by the Company, any needed personnel, equipment, space and power to operate Company facilities and equipment installed on the premises of the Customer, and the level of heating and air conditioning necessary to maintain the proper operating environment on such premises;
- (d) obtaining, maintaining, and otherwise having full responsibility for all rights-of-way and conduit necessary for installation of fiber optic cable and associated equipment used to provide local exchange service to the Customer from the cable building entrance or property line to the location of the equipment space described in 2.3.1(c). Any costs associated with obtaining and maintaining the rights-of-way described herein, including the costs of altering the structure to permit installation of the Company-provided facilities, shall be borne entirely by, or may be charged by the Company to, the Customer. The Company may require the Customer to demonstrate its compliance with this section prior to accepting an order for service;

SECTION 2 – REGULATIONS (continued)**2.4 Customer Equipment and Channels (continued)****2.4.2 Station Equipment**

2.4.2.1 The Customer is responsible for providing and maintaining any terminal equipment on the Customer premises. The electric power consumed by such equipment shall be provided by, and maintained at the expense of, the Customer. All such terminal equipment must be registered with the FCC under 47 C.F.R., Part 68 and all wiring must be installed and maintained in compliance with those regulations. The Company will, where practicable, notify the Customer that temporary discontinuance of the use of a service may be required; however, where prior notice is not practicable, nothing contained herein shall be deemed to impair the Company's right to discontinue forthwith the use of a service temporarily if such action is reasonable under the circumstances. In case of such temporary discontinuance, the Customer will be promptly notified and afforded the opportunity to correct the condition that gave rise to the temporary discontinuance. During such period of temporary discontinuance, credit allowance for service interruptions as set forth in Section 2.6 following is not applicable.

2.4.2.2 The Customer is responsible for ensuring that Customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company-provided equipment and wiring or injury to the Company's employees or other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense.

2.4.3 Interconnection of Facilities

2.4.3.1 Any special interface equipment necessary to achieve compatibility between the facilities and equipment of the Company used for furnishing local exchange service and the channels, facilities, or equipment of others may be provided at the Customer's expense.

SECTION 3 – SERVICE DESCRIPTIONS**3.1 Local Exchange Service**

The Company's Local Telephone Service provides a Customer with the ability to connect to the Company's switching network which enables the Customer to:

- place or receive calls to any calling Station in the Customer's local calling area, as defined herein;
- access enhanced Universal Emergency Number/911 Service where available;
- access the interexchange carrier selected by the Customer for interLATA, intraLATA, interstate or international calling;
- access Operator Services;
- access Directory Assistance;
- place or receive calls to 800/888 telephone numbers;
- access Telecommunications Relay Service.

The Company's service cannot be used to originate calls to other telephone company's caller-paid information services (e.g., 900, 976). Calls to those numbers and other numbers used for caller-paid information services will be blocked by the Company.

3.1.1 Exchange Areas Served and associated Local Calling Areas: Exchange and local calling areas mirror the entire ILEC serving area.

3.1.2 General: The Company's Local Exchange Service is comprised of a Switched Network Access Channel and Local Usage is mandatory for all Customers subscribing to the Company's local exchange service offerings. The remaining service elements, enhanced features and toll usage, are optional services available to Customers.

3.1.3 Class of Service: The Local Exchange Service Offering is offered to residential and small to medium size business Customers.

LOCAL EXCHANGE SERVICES

SECTION 3 – SERVICE DESCRIPTIONS (continued)**3.1 Local Exchange Service (continued)**

3.1.4 Geographic Zones: The Company's Local Exchange Service Offering is segmented into four Zones generally reflecting each exchange area's relative density and the underlying price distinctions of the incumbent local exchange carrier's services, which the Company is reselling. Each of the exchanges listed in 3.1.1 has been assigned a zone designation. At present, the Company's zone rate distinction only applies to the Network Access Channel element of its local exchange service offering. The rates and charges for Network Access Elements listed in Section 3.1.8.2 reflect the zone differential.

3.1.5 Switched Network Access Channels include the following features as standard and are offered in the following configurations:

Touchtone Dialing
One Directory Listing plus One Directory
Presubscription (both IntraLATA and InterLATA)
Calling number delivery blocking/per call
Toll restriction
900/976 Blocking

3.1.5.1 Basic - Switched Network Access Channels provides the Customer with a single, voice- grade analog communications channel with a single telephone number.

3.1.6 Local Usage Services – The Company's local exchange service subscribers may choose between two different calling packages: Per Message Calling and Unlimited Local Calling. Local Usage Service pertains to Customer-dialed calls to stations within the Customer's local exchange or local calling areas as defined in Section 3.1.1

3.1.6.1 Per Message Rate – This option applies a single, per unit charge for each completed local message originated by the Customer and terminating within the Customer's local calling area.

3.1.6.2 Unlimited Local Calling – This option applies a single monthly charge for unlimited local calls.

LOCAL EXCHANGE SERVICES

SECTION 3 – SERVICE DESCRIPTIONS (continued)**3.1 Local Exchange Service (continued)**

3.1.7 Enhanced Calling Features – are a set of optional features available to the Company's local exchange service Customers that provide additional calling functionality. The Company offers the following optional features:

Feature

- Call Forward Busy - allows incoming calls to a busy line to be routed to a preselected line.
- Call Forward No Answer - allows incoming calls to automatically route to a preselected line when the called station is not answered after a preset number of rings.
- Call Forward Variable - allows a Customer to activate routing of incoming calls to another line in their key system or to an external number.
- Call Hold - permits Customer to place a call on hold by depressing the switch hook, dialing an access code and going on hook.
- Call Park - attendant places a call on hold, a code is then dialed to retrieve the call from the parked position.
- Call Pickup Group - all the phones in an area can be answered by dialing a code.
- Call Waiting - provides a tone to alert a Customer that a second party is calling, and allows the Customer to answer the incoming call while holding the original connection.
- Conference Three-Way - allows the Customer to add a third party to an established call without operator assistance.
- Message Waiting - allows a visual, and/or an audible tone signal when there is a message waiting.
- Automatic Callback - by dialing a code this feature automatically returns the last incoming call whether or not it was answered.
- Calling Number Delivery (Caller ID) - allows a Customer to identify the telephone number from which the call is being made. The telephone number is displayed on a Customer provided display device.
- Calling Number Delivery w/ Name (Caller ID w/ Name) - works along with Caller ID, displays telephone number and listed name associated with the telephone number.

SECTION 3 – SERVICE DESCRIPTIONS (continued)**3.4 Directory Listings**

The Company shall provide a single directory listing, termed the primary listing, in the telephone directory published by the local exchange provider in the Customer's exchange area of the Station number which is designated as the Customer's main billing number. Directory listing of additional Company Station numbers, other than the Customer's main billing number, associated with a Customer's service will be provided for an additional monthly recurring charge per listing.

3.4.1 The Company reserves the right to limit the length of any listing in the directory by the use of abbreviations when, in its judgment, the clearness of the listing or the identification of the Customer is not impaired thereby. When more than one line is required to properly list the Customer, no additional charge is made.

3.4.2 The Company may refuse a listing which is known not to constitute a legally authorized or adopted name, contains obscenities in the name, or any listing which, in the opinion of the Company, is likely to mislead or deceive calling persons as to the identity of the listed party, or is a contrived name used for advertising purposes or to secure a preferential position in the directory or is more elaborate than is reasonably necessary to identify the listed party. The Company, upon notification to the Customer, will withdraw any listing, which is found to be in violation of its rules with respect thereto.

3.4.3 Each listing must be designated Government, Business, or Residence to be placed in the appropriate section of the directory. In order to aid the user of the directory, and to avoid misleading or deceiving the calling party as to the identity of the listed party, only business listings may be placed in the Business Section and only residential listings in the Residential Section. The Company, upon notification to the Customer, will withdraw any listing that is found to be in violation of its rules with respect thereto.

3.4.4 In order for listing to appear in an upcoming directory, the Customer must furnish the listing to the Company in time to meet the directory publishing schedule.

EXHIBIT B

Description of Services

See Exhibit B-1 through B-6

EXHIBIT B-1

Service will be provisioned via resale

Sterling Telecom, Inc.'s services will be provided by reselling services utilizing the facilities and equipment of incumbent local exchange carriers ("ILECs").

EXHIBIT B-2

Description of Proposed Services

Sterling Telecom, Inc. intends to provide all forms of intrastate local exchange telecommunications services including:

- A. Local Exchange Services will enable customers to originate and terminate local calls in the local calling areas services by other LECs.
- B. Switched local exchange services such as flat-rated and measured-rated local services; vertical services, Direct Inward and Outward Dialed trunks, carrier access, public and semi-public coin telephone services, and any other switched local services that currently or will exist in the future.
- C. Non-switched local services (*e.g.*, private line) that currently exist or will exist in the future.
- D. Centrex and/or Centrex-like services that currently exist or will exist in the future.

EXHIBIT B-3

Statement about the provision of CTS services

Applicant does not seek authority for the provision of CTS service by means of this application.

EXHIBIT B-4

Description of the proposed market area

The applicant proposed to provide service in all areas in the State of Ohio serviced by AT&T Ohio, Cincinnati Bell, Embarq, and Verizon.

EXHIBIT B-5

Explanation of how the proposed services in the proposed market area are in the public interest

Granting this application will promote the public interest by increasing competition in the provision of telecommunications services in Ohio. Sterling Telecom, Inc. will provide residential and business customer high quality, cost effective local exchange telecommunications service, with an emphasis on customer service. In addition to driving prices closer to costs, thereby ensuring just and reasonable rates, competition also promotes efficiency in the delivery of services and in the development of new services. These very real benefits work to maximize the public interest by providing continuing incentive for carriers to reduce costs, while simultaneously promoting the availability of potentially desirable services.

EXHIBIT B-6

Description of the class of customers (e.g., residential, business) that the applicant intends to serve

The Applicant intends to service residential and small to mid-sized business customers.
