Customer Notification

Dear Valued Customer:

XO appreciates your business and the opportunity to bring you telecommunication services at competitive rates. However, like all companies, each year we face increased costs and make significant capital investments to maintain our state-of-the-art, award-winning nationwide network. As a result, it has become necessary to increase the rates for some of our services. These rate increases vary by product and market.

The services affected, the effective date, and the amount of the increases are described in the following pages and are subject, in some cases, to pending approvals from state Public Service Commissions.

Even with these necessary increases, we believe that you will find that our rates continue to be among the most competitive in the industry and remain a good value for your business.

If you have questions, please contact the toll free Customer Care number* that appears on your monthly invoice.
