**REPLY OF INDUSTRIAL ENERGY USERS-OHIO TO THE  
DAYTON POWER AND LIGHT COMPANY'S MEMORANDUM IN OPPOSITION**

---

Industrial Energy Users-Ohio ("IEU-Ohio") hereby files its Reply to The Dayton Power and Light Company's ("DP&L") Memorandum in Opposition to the Ohio Consumers' Counsel's ("OCC") Motion to Intervene and Motion to Amend Tariffs or, in the Alternative, Motion for Hearing ("Motion to Intervene"). In its Memorandum in Opposition to OCC's Motion to Intervene, DP&L repeatedly asserts that IEU-Ohio does not oppose the substantive provisions contained within its proposed market-based standby services tariff. IEU-Ohio's silence about the content of DP&L's proposed tariff should not be construed to imply IEU-Ohio's support or opposition to the proposed tariff language. IEU-Ohio's Motion to Intervene focused on its right to participate in the proceeding rather than offer comments on DP&L's proposed tariff provisions. IEU-Ohio submits this Reply to clarify the record in this proceeding.

Respectfully submitted,

---
