PUCO Case No. 07-587

2008 FEB 25 PM 3:21

In regards to Duke Energy.
wanting another rate hike.

They put new lines in our
area 3-4 years ago.

as for all their rate hikes,
I am on social security,
plus all the young people
with families, it is a hardship
for a lot of people on small
income.

It is time to stop giving
large power companies
any amount of raises they
request.

What good is it to have a
regulatory board if there
is no regard for the people
that is hurting!
