2.0 General Rules and Regulations (cont'd)**2.5 Contract for Service**

Installation of certain services may require a contractual agreement between a Customer and McLeodUSA. The contractual agreement specifies the terms and conditions of service not covered by this tariff. The contract does not alter the obligations of McLeodUSA to Customers as described in this tariff. The term of the services shall commence and will remain in effect from the service activation date for the term of the contract. In the event McLeodUSA continues to provide service beyond the end of the initial term without an additional written agreement between the parties, then McLeodUSA shall continue to provide service to the Customer under the terms of the then applicable tariff and applicable terms of the expired contract under a month-to-month arrangement. McLeodUSA may choose to renew the contract for a period equal to its original term by giving the Customer notice of the proposed renewal. If the Customer does not timely advise McLeodUSA that the Customer desires to terminate the contract at the end of the contract, then the contract will renew.

2.6 Application for Service**2.6.1 Information Required**

When applying for service, each prospective Customer will be required to furnish McLeodUSA with the following information:

- A. The name of the party who will be responsible for payment for the service provided.
- B. The address or addresses or exact location of the premises where service is to be provided and billed.
- C. Any information required to make a proper determination of appropriate creditworthiness, as set forth in 4901:1-5-13 of the Ohio Administrative Code.

(T)
(T)**2.6.2 Initiation of Service**

2.0 General Rules and Regulations (cont'd)2.5 Contract for Service

Installation of certain services may require a contractual agreement between a Customer and PAETEC. The contractual agreement specifies the terms and conditions of service not covered by this tariff. The contract does not alter the obligations of PAETEC to Customers as described in this tariff. The agreement may require the Customer to pay a minimum monthly fee ("MMF") wherein the Customer agrees, in writing, to pay for the duration of the term agreement, either the monthly recurring and usage charges, or the MMF amount, whichever is greater. Should the Customer choose to terminate their contract without cause prior to the agreed upon term, the Customer will be liable for the MMF specified in the contract multiplied by the number of months remaining in the term, unless Customer converts to another service provided by PAETEC with equal or greater term and MMF commitment. In the event PAETEC continues to provide service after the Customer contract is terminated or expires, then PAETEC shall continue to provide service to the Customer under the terms of the then applicable tariff and applicable terms of the expired contract under a month-to-month arrangement.

EXHIBIT C

McLeodUSA Telecommunications Services, Inc. (“McLeodUSA”)

Description:

Modifying Terms and Conditions for Contracts - Business:

McLeodUSA Telecommunications Services, Inc. (“McLeodUSA”) is modifying the language in Section 2.5, Contract for Service. This change applies to new business customers on a prospective basis only. Existing customers will continue to operate under the terms and conditions of their current contracts for the remainder of the term, so they will not be impacted by this change.

The new language identifies that a business customer may have a minimum monthly fee for the duration of the term agreement, and if the customer should terminate their contract without cause prior to the term, then the customer will be liable for the minimum monthly fee for the remaining term of the contract.

Also, the early termination language that was included in the Preferred Advantage Integrated Access Trunk and the Preferred Advantage Integrated Access Line was deleted. The new contracts will use the process described in Section 2.5 for any early termination terms.

Rationale:

McLeodUSA’s rationale for the above changes are to help McLeodUSA be competitive within the market place.
