Please provide comments on the Draft Environmental Impact Statement (EIS). Please provide any edits, changes, or additions for the Final EIS. Please be as specific as possible in referencing the Draft EIS.

I AM NOT IN FAVOR OF THE PIPELINE!!
BUT IF IT IS TO COME, I WOULD LIKE TO MAKE
SURE IT IS ONE PIPELINE ON THE RIGHT OF WAY
THAT WILL TRANSMIT NATURAL GAS ONLY AT A
PRESSURE THAT IS STATED IN THE BEGINNING (12000?)
AND I AM TOLD THAT THIS IS A PRIVATE VENTURE FOR
REX & THEIR INVESTORS TO MAKE MONEY.
SO US AS LAND OWNERS AND RESIDENTS THAT
ARE PUTTING UP THE GROUND AND THE RISK OF LIVING
NEAR IT GETS WHAT??
I UNDERSTAND THAT THEY WILL RECLAIM THE LAND
BACK AS CLOSE AS POSSIBLE, BUT WITH A 42" LINE
WITH 36" TO 24" OF COVER, I WAS WONDERING IF THE
GROUND WOULD EVER FREEZE ABOVE THE PIPELINE??
BECAUSE FARMERS WITH CATTLE WOULD HAVE TO DEAL WITH
MAKING MUDHOLE, SO THERE OUGHT TO BE SOME KIND OF
PROVISION IN THE RIGHT OF WAY PAPER FOR THIS!!

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

JAN 22 P 11

IN 1970 WE GOT A BIG POWER LINE
(WHICH CARRIES A CONSTANT STATIC ELECTRICITY, THE IGNITE SOURCE
FOR THE 42" PIPELINE WHEN IT BREAKS) AND WE SEE
WHAT KIND OF GROWTH IT BROUGHT TO THE AREA (NOW)
LESS PASTURE, BUILDING LOTS
SO WITH THIS PIPELINE, THE WAY I UNDERSTAND
IT IS, THAT IT WILL HAVE NO PLACE FOR BACKLICK
GAS WELLS OR DISTRIBUTORS TO PUT GAS IN OR TAKE
OUT.

OVER PLEASE

So With You Sitting In D.C. Think Of
This, Where You Grew Up Or Where You
Wanting To Retire At. Small Town. U.S.A.

An Interstate is Coming To The Town And
MAN We Think. What Growth What Jobs What
Opportunities This Will Bring!! They are finding out
There will be NO EXIT Ramps OR ON RAMP Ramps For The
People To get ON OR OFF The Highway!!

ALL They want is The Round Feather
Highway!!

So I hope for You All Reading This,
That When You Retire OR If You are Retiring
From. That If My Children OR Grand Children
Move To D.C. And get A Job AT THE Federal Energy Regulatory
Commission AND get IN Your Sides, That They Can
Look Back On This as A LEARNING EXPERIENCE.
THANK YOU VERY MUCH!!!
