COMMENT DESCRIPTION:

PLEASE, PLEASE don't allow Dominion to raise rates over the next 20 years to pay for upgrades to THEIR company-owned pipes!! Please - this HAS to stop! The Commission grants every power/gas company in Ohio every request they ask for, but this is too much and has gone too far! They are asking US - the cash-strapped consumer - to pay for upgrades to their own systems! They had RECORD profits last year...and have for years prior!

Please, I'm begging you at this point, don't allow Dominion to do this - would you ask your neighbors to pay for upgrades to YOUR house? If you asked, would you get it?! PLEASE DON'T ALLOW IT.

Thank you, Kyle Weigand Lakewood, OH
