RE: Change to a portion of the boundary between Two Exchanges of AT&T Ohio  
  
Case No. 08-197-TP-ACB  
90-5032-TP-TRF

Dear Ms. Jenkins:

AT&T Ohio (which is the name under which The Ohio Bell Telephone Company does business) (the "Company") hereby files revised maps of its Jamestown and Xenia exchanges, without application, pursuant to Ohio Administrative Code §4901:1-3-03(F). Both this letter and copies of the maps are being filed in duplicate pursuant to Ohio Administrative Code §4901:1-3-03(G).

The revised maps reflect the incorporation of portions of AT&T Ohio's Jamestown Exchange into its Xenia Exchange. The Company provides the following reason for making this change:

There is a new Residential development called Sebastian Hills Estates. As the Jamestown exchange has limited resources to provide service to this development, the customers in this new subdivision will be more affectively and economically served from the Xenia Exchange.

The area affected by this change is the southeast side of Jasper Pike and Paintersville-New Jasper intersection. This will appear in the west central area of the Jamestown Exchange map and on the east central side of the boundary line on the Xenia exchange map.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

The Company confirms that this change will not adversely affect the service being furnished to any existing subscriber.

If you have any questions about this filing, please call me at the number shown above.

Respectfully submitted,

*Kathleen Gentile-Klein*
