RE: In the Matter of the Application of Columbia Gas of Ohio, Inc. for Approval of Tariffs to Recover Through an Automatic Adjustment Clause Cost Associated with the Establishment of an Infrastructure Replacement Program and for Approval of Certain Accounting Treatment.
Case No. 07-478-GA-UNC

Dear Secretary Jenkins:

On February 28, 2008, after the record was closed in this proceeding, Columbia Gas of Ohio, Inc. ("Columbia") filed a pleading entitled "Application of Columbia Gas of Ohio, Inc. to Revise its IRP Rider Rate" along with the testimony of Larry W. Martin ("Pleading"). On March 3, 2008, Utility Service Partners ("USP") filed a response to the Pleading ("Response") to make clear on the record that USP objects to the procedure used by Columbia to request a revision in its IRP Rider Rate.

Interstate Gas Supply, Inc. ("IGS") submits this letter in support of USP's Response. Columbia did not follow the proper procedure to reopen the record, nor does the Pleading fit into the narrow exception that allows parties to enter into evidence the differences between the October 26, 2007 Stipulation and the December 28, 2007 Amended Stipulation. IGS agrees with the arguments made in the Response, and objects to the procedure Columbia used to submit its Pleading.

IGS would like to note that this letter does not waive IGS's right to object to the substantive provisions in Columbia's Pleading.

Very truly yours,

John W. Bentine

Counsel for Interstate Gas Supply, Inc.
