FINAL DISCONNECTION NOTICE

NOTICE DATE:

According to our records, you have not responded to our recent notice about your overdue utility and/or security deposit bill.

REGRETFULLY, SERVICE WILL BE DISCONNECTED UNLESS WE RECEIVE AT OUR OFFICE YOUR PAYMENT FOR THE "AMOUNT TO BE PAID TO AVOID DISCONNECTION" AS SHOWN ON THE LAST BILL YOU RECEIVED, OR YOU MAKE SATISFACTORY PAYMENT ARRANGEMENTS WITHIN 10 CALENDAR DAYS OF THE NOTICE DATE INDICATED ABOVE. THE "AMOUNT TO BE PAID TO AVOID DISCONNECTION" WILL CHANGE AFTER THE BILLING DATE. HOWEVER, THE DISCONNECTION DATE WILL NOT BE AFFECTED BY RECEIPT OF ANY SUBSEQUENT BILL.

IMPORTANT NOTICE:

If you are in jeopardy of having your service disconnected for nonpayment of a security deposit, this amount must be paid in full within 10 calendar days of the date indicated above.

If you wish to pay your bill by VISA, MASTERCARD, debit card or check, please call 1-877-596-5068, or to pay at a Pay Station, contact our Credit Department to locate a Pay Station near you.

RESTORING SERVICE:

To restore your gas and/or electric service(s) you will be required to satisfy all of the following:

- Pay the entire past-due balance or the past-due amount of any extended payment plan.
- Pay the appropriate reconnection charge. Gas \$17.00; Electric \$25.00; both services \$38.00.
- Pay a security deposit (if applicable). See "Important" message box on your last bill to determine if a security deposit will be requested.
- Provide current credit information.

PLEASE NOTE: Disconnection of your utility service(s) will not result from failure to pay charges for any nonratified or nonregulated products or services. However, failure to pay charges for competitive retail electric supplier services, or other nonregulated products and services, may result in loss of those products and services. Also, failure to pay charges for competitive retail electric supplier service may result in cancellation of the customer's contract with the competitive retail electric service provider, and return of the customer to our standard offer generation service.

IF YOU ARE A LANDLORD, PLEASE NOTE:

If the Company is aware that you have tenants living in the premises affected by this final notice on your account, the Company will notify the tenants that they may assure continued service by payment of your current month's bill or the tenants may have service restored in your name by paying your current month's bill plus any reconnection charge within fourteen (14) days after the date of disconnection. Depending on local law, these tenants may deduct amounts they paid toward your bill from their rent payment, and you may be liable for civil remedies or criminal penalties if you fail to notify tenants of impending loss of service.

Further, the Company will notify the tenants that another option for continuation or reconnection of service to master-metered premises which involves the escrowing of rent in court, is available to the tenants based on a PUCO rule and existing landlord-tenant laws.

PLEASE NOTE: IF YOU ARE A TENANT AND NOT OUR CUSTOMER, this notice is intended to advise you of pending disconnection. Please contact your landlord in reference to this matter. This notice is required by Sec. 4933.12, 4933.121 and 4933.122 of the Ohio Revised Code, and rules 4901:1-18-05 and 4901:1-18-07 of the Ohio Administrative Code.

You, as a tenant or tenants, may insure the continuation of the utility service by paying the landlord's current month's bill. If the utility service is off, it can be restored in the landlord's name by paying the landlord's current month's bill plus any reconnection charge within fourteen (14) days after the date of disconnection. The amount of the current month's bill must be paid in one payment by you as the tenant or as a representative of a group of tenants. Once service is reconnected, the tenant(s) must continue to pay each subsequent month's current charges by the due date in order to insure continuation of the utility service.

In addition, a rule of the PUCO, 4901:1-18-07 Ohio Administrative Code, dealing with master-metered premises, provides an option for continuation or reconnection of your service which involves the escrowing of rent in court, under the state landlord-tenant laws, Chapter 5321 Ohio Revised Code. For further information concerning this, you may wish to contact your attorney, the Lawyer Referral Service of the Cincinnati Bar Association at (513) 381-8358, the Ohio State Legal Services Association at 1-800-589-5868, the Office of Consumers' Counsel at 1-877-742-5622, or the Public Utilities Commission of Ohio at 1-800-686-7826. For residents of Cincinnati, you may want to contact the Cincinnati Office of Consumer Services at (513) 352-3971 or the Legal Aid Society at (513) 241-9400. For residents outside the City of Cincinnati, you may want to contact your local Legal Aid Society (consult your telephone directory). Upon request, Duke Energy will provide you with PUCO-developed forms and procedures which will help you exercise your rights under this rule.
