P.U.C.O. NO. 6
GENERAL EXCHANGE SERVICE TARIFF

PAYMENT FOR SERVICE AND FACILITIES

1. The subscriber shall pay for services and facilities monthly in advance – except Departments, Administrations and Agencies of the Federal, State, County, Township or Municipal Governments, and shall pay for Toll Messages (including charges for messenger service), Teletypewriter Exchange Service Messages, and Moves and Changes when billed. Failure to receive a bill does not relieve the subscriber of the responsibility for payment in accordance with the provisions set forth herein.
2. A subscriber's bill shall not be due earlier than nineteen (19) days from the date of the postmark on the bill. If the bill is not paid by the due date, it then becomes past due. Bills are payable at the office of the Telephone Company or an authorized collection agency. (T)
3. When warranted, in the judgment of the Company, special toll bills may be rendered. In such cases, the amounts billed are due and payable on demand. (D)
4. The regular restoral of service charge will be made for reconnecting services which have been discontinued for non-payment of charges due. No allowance will be made for loss of service during the period when service is disconnected for non-payment if payment is made and service reconnected before the completion of an order to terminate the service. Subsequent to the completion of an order to terminate the service, it may at the option of the Telephone Company be re-established only on the basis of a new application.
5. In the event the service of a subscriber has been twice denied for non-payment within the previous 12 months, service may be terminated in lieu of a third denial. Service then may be re-established at the option of the Company only on the basis of a new application.
6. The Telephone Company shall respond promptly to customer inquiries pertaining to charges for IXC toll services, either by handling the inquiry itself, or referring it to the IXC, depending on the nature of the customer's inquiry.
