A. APPLICATION

The rules and regulations specified herein are in addition to those contained in the Local Exchange Service Tariffs. In the event of a conflict between any rates, rules, regulations or provision contained in these General Rules and Regulations and any rate, rule, regulation or provision contained in the other sections of this Telephone Service Tariff, the rate, rule, regulation or provision contained in the specific section of this tariff shall prevail.

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY

1. Availability of Facilities

The Telephone Company's obligation to furnish exchange and toll service is dependent upon its ability to secure and retain, without unreasonable expense, suitable facilities and rights for the construction and maintenance of the necessary facilities to provide service.

(D)

2. Directory Errors and Omissions

The Telephone Company issues directories to assist in furnishing prompt and efficient service and it does not guarantee to its subscribers correct listings therein.

4. Use of Connecting Company Lines

When suitable arrangements can be made, lines of other telephone companies may be used in establishing wire connections to points not reached by this Company's lines. In establishing connections with the lines of other companies, the Telephone Company is not responsible for any action of the connecting company.

L. PAYMENT FOR SERVICE AND FACILITIES

1. The Telephone Company will endeavor to mail the bills for telephone service on or before the same date of each month. GENERAL RULES AND REGULATIONS
P.U.C.O. NO. 6

N. GENERAL REGULATIONS

1. Liability of Telephone Company

- a. In view of the fact that the customer has exclusive control of his communication over the facilities furnished him by the Telephone Company, and of the other uses for which facilities may be furnished to him by the Telephone Company, and because of unavoidable errors incident to the service and to the use of such facilities of the Telephone Company, the service and facilities furnished by the Company are subject to the terms, conditions, and limitations herein specified.
- b. The liability of the Telephone Company for damages arising out of mistakes, omissions, interruptions, delays, or errors or defects in transmission occurring in the course of furnishing service or other facilities and not caused by the negligence of the customer, shall in no event exceed an amount equivalent to the proportionate charge to the customer for the period of service during which such mistake, omission, interruption, delay, error or defect in transmission occurs. No other liability shall in any case attach to the Telephone Company. The approval by the PUCO of the foregoing language in this tariff does not constitute a determination by the PUCO that the limitation of liability imposed by the Company should be upheld in a court of law. Approval by the PUCO recognizes that since it is a court's responsibility to adjudicate negligent and consequent damage claims, it is also the court's responsibility to determine the validity of the limitation of liability therefore.

(D)

- c. When the lines of other telephone companies are used in establishing connection to points not reached by the Telephone Company's lines, the Telephone Company is not liable for any act or omission of the other company or companies.

2. Obligation of Customer

- a. The calling party (or customer) shall be solely responsible for establishing the identity of the person or persons with whom connection is made at the called station.
