The FirstEnergy Corporation Report) Case No. 08-997-EL-UNC

Request for Extension of Time
To File Report Pursuant to 4901:1-10-26, Ohio Administrative Code

Come Now Ohio Edison, The Cleveland Electric Illuminating Company, and The Toledo Edison Company ("FirstEnergy Companies"), by counsel, and hereby request an extension of time to April 7, 2008 to file their report pursuant to 4901:1-10-26, Ohio Administrative Code, ("ESSS Rule 26") which is otherwise due to be filed on or before March 31, 2008.

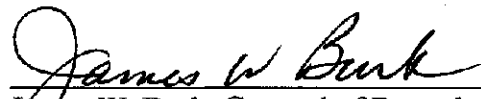

Pursuant to 4901:1-10-02(C), the Commission may waive any requirement of Chapter 4901-10 for good cause shown or upon its own motion. The FirstEnergy Companies state that good cause has been shown for the requested extension, as is more fully set forth below.

In support of this request for extension, the FirstEnergy Companies state that while this year's Rule 26 report is required to be filed in a traditional paper format, the data is also required to be entered into an electronic format designed by Staff. The extension is needed to facilitate a full review of the data and to accommodate the report process of entering the data via a web based tool. Additional time is needed to confirm that such data has been entered properly and completely, and in a manner consistent with the traditional paper submission, in order to avoid the necessity for corrective filings to be subsequently made in this docket. Therefore, the FirstEnergy Companies submit that the requested brief extension in the filing of the Rule 26

Report will not prejudice any party request that the date to file this report be extended to and including Monday April 7, 2008.

In conclusion, FirstEnergy requests the filing date for the ESSS Rule 26 report be extended to and including April 7, 2008 and for all other relief just and proper in the premise.

Respectfully submitted,

A handwritten signature in cursive script, reading "James W. Burk".
