MY COMMISSION EXPIRES AUGUST 8, 2008

This modification does not automatically result in a change in the prices, terms, or conditions of these services to which you currently subscribe. CT Communications Network must still provide customer notices at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a catalog online at www.ctcn.net or you can request a copy of this information by contacting the telephone company at the following address:

CT Communications Network Inc.
126 Scioto Street
Urbana Ohio 43078

Or call toll free 1-877-653-2216

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in services. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, term and conditions.

If you have any questions about this matter, please call CT Communications Network at the toll free number 1-877-653-2216 or visit us online at www.ctcn.net.

Sincerely,

CT Communications Network Inc.
