TO WHOM IT MAY CONCERN:

We have been residents of the Huber Ridge Subdivision of Franklin County since 1974, and are aware that the Ohio American Water Company has filed an application with the PUCO to raise our water rates AGAIN. We have the most expensive water around, and it is absolutely no better than what we had before they went to the "new" osmosis procedure that was advertised to be so much better water. What a farce!

Please listen to the people that live here and deny their application...ENOUGH IS ENOUGH!
