Exhibit E

<CustomerProper>
Attn: <FirstName> <LastName>

<CityProper, <STATE> <ZIP>

Dear <FirstName>:

Beginning on April 2, 2008, the prices, service descriptions, and the terms and conditions for certain telecommunication services that you are provided by CTC Communications Corp d/b/a One Communications ("One Communications") will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

These business services include: all long distance and toll services, toll-free services, directory assistance, and operator services.

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. One Communications must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a Product Guide online at <http://www.onecommunications.com/legal/one-tariffs.aspx> or you can request a copy of this information by contacting the One Communications Customer Care Center, 100 Chestnut Street, Suite 600, Rochester, New York 14604 or at the toll-free telephone number 1.800.962.2488.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call One Communications at 1.800.962.2488 or visit us at www.onecommunications.com.

Sincerely,
CTC Communications Corp. dba One Communications
