CASE NUMBER: 07-1112-WS-AIR

Gentlemen:

We live in Huber Ridge, (Blendon Township) in Westerville, Ohio and we OPPOSE the proposed increase that OAWC has asked for. Our water is so expensive now it is almost impossible to continue living in this community. Our water bill runs anywhere from \$86.00 - \$96.00 a month during normal times. We can not afford to water our lawns even in the summer time. ENOUGH IS ENOUGH. NO INCREASE. This is a community of medium to lower income people, a lot of us are living on social security and cannot afford these exuberant rates. Please help us to stop this increase.

Please do not permit this increase to OAWC.

Thank you,

*Mr. & Mrs. Stanley E. Route*

This is a letter of opposition to case number 07-1112-WS-AIR for a rate increase by Ohio American Water Company. The rates are already higher than surrounding communities and these people already make a lot of money and do little to improve the quality of water. Please reduce this request to some reasonable number that we can all live with.
