To whom it may concern:

I am writing concerning the rate increase requested by Ohio
American Water company. Case # 07-1112-ws-air. APR 16 PM 12:22

PUCO

I am opposed to the rate increase!

Our neighborhood is working class and we cannot afford
Another rate increase. It seems that OWAC asks for rate
Increases every 6 months.

Columbus and Westerville water bills are $\frac{1}{2}$ what ours are.

I can't afford the rate increase.

I would also like someone to address the situation. Our
Water company should be owned and operated by a
Government entity like Columbus and Westerville's water.
Part of the reason our bills are so high and rate increases
Common are because the company is privately owned.
They are only worried about the bottom line. And because
the company is privately owned we have no advocate for
our rights. So we are looking out for ourselves this time.
