RULES AND REGULATIONS

1. Deposits

The Company reserves the right to examine the credit record of the Customer. If the Customer's financial condition is unknown or unacceptable to the Company, the Customer may be required to provide the Company with a security deposit which the Company may apply against overdue charges. The amount of the security deposit shall not exceed two month's estimated usage, may vary with the Customer's credit history and projected usage, and be collected and maintained in accordance with Commission rules. The fact that a security deposit has been made in no way relieves the Customer from the prompt payment of bills upon presentation. The Company's deposit requirements will be in compliance under current P.U.C.O. rules.

2. Return Check Charge

A return check charge of \$15.00 will be assessed for checks returned for insufficient funds. Any applicable return check charges will be assessed according to the terms and conditions of the billing entity (i.e. local exchange company and/or commercial credit card company) and pursuant to Commission regulations.

3. Late Payment Fees

The Company reserves the right to assess a late payment fee of 1.5% per month on any past due balance. A balance is considered past due if unpaid fifteen (15) days following the postmarked date of the bill listing amounts owed by the Customer. Any applicable late payment fees will be assessed according to the terms and conditions of the Company or its billing agent. The late payment charge will not be applied to previous late payment charges that have been assessed but not yet been paid for, but will apply to the accumulated services for which the Customer is in arrears. Late payment charges will be applied without discrimination.
