COMPLAINT DESCRIPTION:

I wish to make comments regarding the following case: # 07-1112-WW-AIR.

I strongly oppose another rate increase for water service. I am struggling with the effects of the last rate increase (11.7%) granted in March, 2007. Application by Ohio American for yet another rate increase so soon after the last one indicates that this provider has callous disregard for the economic realities facing its customers. Please do not grant this firm another rate increase.
