From: Jefferson K. Proto

Concerning: Case # 07-551-EI-AIR

4/2/2008

I would like you to know that I feel the proposed 7.8% increase in charges from First Energy is unwarranted. Just down the road in Bellville they have power provided by AEP at a substantially lower rate. We have no say in who provides our power and I feel we are already being charged an unfair rate without any increase. Please docket my comments in the case file.

Thank you for your time and attention to this matter,
Jeff k. Proto
