REGULATIONS

D. Limitation of Liability (continued)

6. The Company shall not be liable for any damages, including usage charges that the customer may incur as a result of the unauthorized use of authorization codes or communications equipment. The unauthorized use of communications equipment includes, but is not limited to, the placement of calls from the customer's premises, and the placement of calls through equipment controlled and/or provided by the customer, that are transmitted over the Company's network without the authorization of the customer. The customer shall be fully liable for all such usage charges.
7. Approval of limitation of liability language by the PUCO does not constitute a determination by the Commission that the limitation of liability imposed by the company should be upheld in a court of law. Approval by the Commission merely recognizes that since it is a court's responsibility to adjudicate negligence and consequent damage claims, it is also the courts responsibility to determine the validity of the exculpatory clause.

E. Minimum Telephone Service Standards

The Company will provide service in compliance with the Minimum Telephone Service Standards as currently or prospectively established by the Commission.

Customers have certain rights and responsibilities under the Minimum Telephone Service Standards (Ohio Administrative Code 4901:1-5)(MTSS). These safeguards can be found in the Appendix to Ohio Administrative Code 4901:1-5-03, which is entitled "Telephone Customer Rights and Responsibilities". These rights and responsibilities include complaint handling, ordering or changing service, service repair, payment of bills, and disconnection and reconnection of service.

F. Late Payment Charge

Customers will be charged a late payment penalty in the amount of 1.5% per month on all delinquent amounts owed to the Company.

G. Insufficient Fund Checks

Customers will be charged \$20.00 on all checks issued to the Company which are returned due to insufficient funds. At the discretion of the Company, the insufficient funds check charge may be waived under appropriate circumstances (e.g. a bank error).
