**RE: OPSB Case No. 06-1357-EL-BTX  
Update on Application**

RECEIVED-DOCKETING DIV  
2008 MAY -8 AM 3:03  
PUCO

Dear Judge Price:

I am writing on behalf of the applicant, American Municipal Power-Ohio, Inc. ("AMP-Ohio"), to provide an update with regard to the accepted, complete application in Ohio Power Siting Board ("OPSB") Case No. 06-1357-EL-BTX, In the Matter of the Application of American Municipal Power-Ohio, Inc., for a Certificate of Environmental Compatibility and Public Need for an Electric Power Transmission Line and Related Facilities ("Application").

On April 8, 2008, AMP-Ohio notified the Administrative Law Judge that it would submit another update within thirty (30) days with a more specific request as to the time that is needed prior to the scheduling of hearing dates. AMP-Ohio has determined that no amendment to the Application is necessary. As such, AMP-Ohio respectfully requests the Application be processed by the OPSB as filed and that hearing dates be scheduled for some time in the next sixty (60) to one hundred and twenty (120) days.

Respectfully,

Nathaniel S. Orosz

Counsel for American Municipal Power-Ohio, Inc.
