Transmission Substation****06-0409-EL-BLN****Commercial Operation**

Dear Mr. Lambeck,

This letter is in response to the Opinion and Order and Certificate issued on August 21, 2006 for the North Medina Substation, as well as the Letter of Notifications on the above captioned projects filed on March 10, 2006 for the Carlisle-Star 345 kV Transmission Line Loop and the West Akron-West Medina 138 kV Transmission Loop to the North Medina Substation. In compliance with condition 18 of the Opinion and Order and Certificate, please be advised that these facilities began commercial operation on May 1, 2008. Minor construction activities are still underway and are expected to be completed shortly and I will provide a notification letter when all construction activities are completed.

If you have any questions regarding this project, please contact me at (330) 761-4268.

Sincerely,

Ted Krauss, Supervisor Transmission Siting,  
Right-of-Way Engineering and Surveying  
FirstEnergy Service Company
