OPERATE?

PLEASE REVIEW AND MAKE A FAIR JUDGEMENT - JUST MAYBE - TO THE

I am writing to oppose your outrageous proposal of a 31.86% rate increase on my water bill. You just raised my bill almost 10% just a few months ago! Why in the world do you need to raise it again? There are many of us on fixed incomes and can't afford this increase. You don't need this money, it's called greed!!!

Enough is enough. Stop increasing the ALREADY expensive water rates.
