RE: Case # 07-1112-WS-AIR
180 E. Broad Street, 13th Floor
Columbus, Ohio 43215-3793

Dear Sir or Madam:

We are writing with our concerns regarding the planned water rate increase. A thirty percent hike seems outrageously above current inflation rates, particularly so soon after a recent rate increase.

Please consider modifying such increase.

These are particularly difficult times, economically. We understand about infrastructure needs, but perhaps these could be deferred or a gradual planned increase would suffice.

Thank you for considering our concerns.

Sincerely,

Lawrence E. Daykin, and Margaret Carney Daykin
