C	A short description of the nature of the change(s), the intent of the change(s), and the customers affected.
D	A copy of the notice provided to customers, along with an affidavit that the notice was provided according to the applicable rule(s).

Section III. – Attestation

Registrant hereby attests to its compliance with pertinent entries and orders issued by the Commission.

AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an officer/agent of the applicant corporation, AT&T Ohio, and am authorized to make this statement on its behalf.

I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) Pursuant to Chapter 4901:1-5 OAC for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

EXHIBIT A

DISTINCTIVE RING

/1/

A. Description

Distinctive Ring permits a residence customer to designate a distinctive ring on up to 5 telephone numbers from which calls have been forwarded. The customer will designate the distinctive ring telephone numbers on the initial service order. The customer may designate distinctive ring for calls forwarded from a cellular service. Forwarded calls will activate the distinctive ring pattern, while retaining any characteristics present with the original incoming call, such as Caller Name and Number. Customers must call the Business office to change their designated Distinctive Ring number.

B. Terms and Conditions

Distinctive Ring is provided subject to the availability of Central Office capacity and facilities. Distinctive Ring is available to residence exchange services unless specified otherwise. Distinctive Ring is not available to customers with the following types of service: Centrex, PBX, Primary Rate ISDN, Payphone Exchange Access Service, and other non-POTS classes of service (e.g. Inmate or hotel-motel lines). The service will not be available with 900, 976, WATS, 800 lines or data access lines.

B. Terms and Conditions (cont'd)

Service Interactions/Limitations

1. Privacy Manager and Anonymous Call Rejection will take priority over Distinctive Ring on lines equipped with these features.
2. If the forwarded call is "unknown" and the customer has Privacy Manager, the Privacy Manager will take priority and intercept the call and the call will be completed without a distinctive ring tone.
3. If the customer subscribes to Call Waiting, a distinctive ring tone is heard on the forwarded call.
4. Distinctive Ring is not available with Multi-Ring 2nd dependent number.
5. Distinctive Ring is not compatible with Call Forwarding features.
6. Distinctive Ring may not work with CPE containing pre-set ring tones.
7. Distinctive Ring will not provide a special ring tone when Call Waiting is activated in DMS10 switches.

3. Select Feature PackageSM

(T)/1/

A. Description

Select Feature Package offers residence customers a combination of Custom Calling and Advanced Custom Calling features with a network access line and unlimited local calling at a package rate.

B. Definitions

Select Feature Package is offered to residence customers and consists of the following services:

- A network access line
- Flat Rate Service
- Caller ID
- Caller ID with Name
- Call Waiting
- Call Waiting ID
- Three-Way Calling
- Call Forwarding
- Speed Calling 8
- Automatic Callback
- Repeat Dialing
- Call Screening

C. Terms and Conditions

1. Call Waiting and Call Waiting ID may be deselected from the Select Feature Package at the customer's option when the package is first ordered and can be reselected in the future, with no adjustment to the package price. Nonrecurring charges specified in Part 3, Section 1 of this tariff will not apply to these changes.
2. Caller ID, Caller ID with Name, and Call Screening will not be included in the Select Feature Package where facilities preclude the provisioning of these features. A credit will apply to Select Feature Package only when Caller ID cannot be provisioned. Caller ID with Name cannot be provisioned without Caller ID.
3. Privacy Manager may be added onto the Select Feature Package at the customer's option. No adjustment is made to the customer's price when Privacy Manager is activated. Nonrecurring charges do not apply if Privacy Manager is activated or inactivated.

(T)/1/

C. Terms and Conditions (cont'd)

4. Pay per use features and their associated charges are not included in the Select Feature Package price.
5. All services must be purchased on the same access line in order for customer to be eligible for the Select Feature Package price. The package may be ordered on the customer's primary or additional line.
6. Existing residence customers who currently subscribe to all component services in Select Feature Package may request billing at the package price.
7. Select Feature Package subscribers will benefit from the package price until they disconnect any of the non-deselectable component services. If the customer disconnects any required component service of the package the remaining services will be billed at their individual standard tariff rates.
8. Discounted monthly rates for any other combinations of services provided in the Select Feature Package on the same access line, as specified elsewhere in this tariff, do not apply under the Select Feature Package.
9. Select Feature Package is available to any residence customer where all the package components are available.
10. Select Feature Package component services may be purchased individually at their standard tariff rates.
11. Select Feature Package may be included in other packages or bundles that are marketed under other names.
12. Features and services purchased in excess of those allowed in the package will be charged at their standard tariff rates.

3. DISTINCTIVE RING

(T)

A. Description

Distinctive Ring permits a residence customer to designate a distinctive ring on up to 5 telephone numbers from which calls have been forwarded. The customer will designate the distinctive ring telephone numbers on the initial service order. The customer may designate distinctive ring for calls forwarded from a cellular service. Forwarded calls will activate the distinctive ring pattern, while retaining any characteristics present with the original incoming call, such as Caller Name and Number. Customers must call the Business office to change their designated Distinctive Ring number.

B. Terms and Conditions

Distinctive Ring is provided subject to the availability of Central Office capacity and facilities. Distinctive Ring is available to residence exchange services unless specified otherwise. Distinctive Ring is not available to customers with the following types of service: Centrex, PBX, Primary Rate ISDN, Payphone Exchange Access Service, and other non-POTS classes of service (e.g. Inmate or hotel-motel lines). The service will not be available with 900, 976, WATS, 800 lines or data access lines.

Service Interactions/Limitations

1. Privacy Manager and Anonymous Call Rejection will take priority over Distinctive Ring on lines equipped with these features.
2. If the forwarded call is "unknown" and the customer has Privacy Manager, the Privacy Manager will take priority and intercept the call and the call will be completed without a distinctive ring tone.
3. If the customer subscribes to Call Waiting, a distinctive ring tone is heard on the forwarded call.
4. Distinctive Ring is not available with Multi-Ring 2nd dependent number.
5. Distinctive Ring is not compatible with Call Forwarding features.
6. Distinctive Ring may not work with CPE containing pre-set ring tones.
7. Distinctive Ring will not provide a special ring tone when Call Waiting is activated in DMS10 switches.

6. Existing residence customers who currently subscribe to all component services in Select Feature Package may request billing at the package price.
7. Select Feature Package subscribers will benefit from the package price until they disconnect any of the non-deselectable component services. If the customer disconnects any required component service of the package the remaining services will be billed at their individual standard tariff rates.
8. Discounted monthly rates for any other combinations of services provided in the Select Feature Package on the same access line, as specified elsewhere in this tariff, do not apply under the Select Feature Package.
9. Select Feature Package is available to any residence customer where all the package components are available.
10. Select Feature Package component services may be purchased individually at their standard tariff rates.
11. Select Feature Package may be included in other packages or bundles that are marketed under other names.
12. Features and services purchased in excess of those allowed in the package will be charged at their standard tariff rates.
13. A nonrecurring charge as shown in D. below will apply to the installation of the Select Feature Package the first time a new or existing customer subscribes to the package. The Select Feature Package nonrecurring charge will not apply if the customer changes or adds features as long as the customer maintains the Select Feature package on the same line. The Select Feature nonrecurring charge is a line-level charge. If the customer subscribes to Select Feature package on an additional line, the nonrecurring package charge will be applied to that line.

C. Terms and Conditions

1. uSelectSM Standard is only available to residential customers residing in areas where facilities preclude the provisioning of Caller ID.
2. uSelectSM Standard is not available where facilities support Caller ID
3. uSelectSM Standard is available only to customers who previously ordered a package with Caller ID, which could not be provisioned. uSelectSM Standard is a substitute package for our existing Company packages where facilities preclude the provisioning of Caller ID.
4. The component services of uSelectSM Standard are provided on a per line basis.
5. uSelectSM Standard subscribers will benefit from the uSelectSM Standard price until they disconnect their service. When the customer disconnects any component services of uSelectSM Standard, the remaining services will be billed at their individual standard tariff rates.
6. Discounted monthly rates for any other combinations of the services provided in these packages on the same line, as specified elsewhere in this tariff, do not apply to uSelectSM Standard.
7. A nonrecurring charge will apply to the installation of the uSelect Standard package the first time a new or existing customer subscribes to the package. The nonrecurring charge will not apply if the customer changes or adds features within the selection list as long as the customer maintains the uSelect Standard package on the same line. Nonrecurring installation charges may apply to the installation of the Access Lines.
8. uSelectSM Standard is available to any residence customer where at least four selectable services are available. The component services may be purchased individually at their standard tariff rates.
9. This package may be included in other packages or bundles that are marketed under other names.
