*NOTE: During the interim period between the effective date of the rules and an Applicant's Detariffing Filing, changes to existing business Tier 2 and all toll services, including the addition of new business Tier 2 and all new toll services, will be processed as 0-day TRF filings, and briefly described in the "Other" section above.

All Section I and II applications that result in a change to one or more tariff pages require, at a minimum, the following exhibits. Other exhibits may be required under the applicable rule(s). ACN, ACO, AMT, ATC, ATR and CIO applications see [the 4901:1-6-14 Filing Requirements on the Commission's Web Page](#) for a complete list of exhibits.

Exhibit	Description:
A	The tariff pages subject to the proposed change(s) as they exist before the change(s)
B	The Tariff pages subject to the proposed change(s), reflecting the change, with the change(s) marked in the right margin.
C	A short description of the nature of the change(s), the intent of the change(s), and the customers affected.
D	A copy of the notice provided to customers, along with an affidavit that the notice was provided according to the applicable rule(s).

Section III. – Attestation

Registrant hereby attests to its compliance with pertinent entries and orders issued by the Commission.

AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an officer/agent of the applicant corporation, CenturyTel of Ohio, Inc., and am authorized to make this statement on its behalf.
(Name)

I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) Pursuant to Chapter 4901:1-5 OAC for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

b.	When two or more of the features specified in (1) through (7) preceding are provided on the same line, the reduced rate shall be charged for each feature.	

NOTE:

No additional service charges are applicable for the establishment of Custom Calling Services if established simultaneously with the establishment of local exchange service. Requests for, and rearrangements of, Custom Calling Services subsequent to the establishment of local exchange service will require a Service Ordering Charge and a Line Connection Charge.

As each central office becomes equipped to offer custom calling services, Call Waiting and Call Forwarding will be provided to all customers for a thirty day trial period at no charge for these services. No Service Ordering Charge and Line Connection Charge will be billed to customers for the trial services. Customers who contact the Company during the trial period desiring to retain the services offered on free trial will have the Service Ordering Charge and Line Connection Charge waived.

* Usage Sensitive 3-Way Calling requires completion and bridging of second call.
