ENTRY

The attorney examiner finds:

- (1) The above-referenced complaint was filed on June 10, 2008. In the complaint, Jeffery H. Mullins (complainant) indicated that he was informed by American Electric Power of a arrearage owed for electric service at a different address, but that he did not live at that address during the period in which the arrearage accrued. Further, complainant indicated that he was unable to get his electric service turned on at his current address.
- (2) Due to the Commission's stated goal of reducing the number of adversarial proceedings before it, this matter should be scheduled for a settlement conference on July 8, 2008, at 10:00 a.m., in hearing room 11-B, in the offices of the Commission, 180 East Broad Street, Columbus, Ohio 43215.
- (3) The purpose of the settlement conference is to determine whether this complaint can be informally resolved. The parties should bring with them all documents relevant to this matter.
- (4) Pursuant to the provisions of Rules 4901:1-9-01 and 4901:1-10-19(C), Ohio Administrative Code, AEP should establish electric service at the complainant's current address during the pendency of this complaint, provided that the complainant pays for the electric service being provided during the pendency of this complaint.
