RE: Docket Nos. CP07-208-000, 001  
Rockies Express Pipeline LLC, REX-East Project  
Supplemental Alignment Sheets for Request for Notice to Proceed -  
Spreads B and C

PUCO

RECEIVED-DOCKETING DIV

Ms. Bose:

On June 19, 2008, Rockies Express Pipeline LLC ("Rockies Express") separately filed written notices to proceed for Spread B (MP 144.1 - 190.8) and Spread C (MP 190.8 - 238.2) of the REX East Project authorized to be constructed by the Federal Energy Regulatory Commission ("FERC" or "Commission") on May 30, 2008 ("May 30 Order" or "Order").<sup>1</sup> In each of the requests, Rockies Express filed, among other things, "Issued for Construction" alignment sheets for each spread.

To supplement its earlier request for a Notice to Proceed for Spreads B & C of the REX East Project, Rockies Express hereby files "privileged and confidential" alignment sheets for each of the two spreads. These alignment sheets, unlike the "Issued for Construction" sheets, contain descriptions of the cultural resource areas that exist on the REX-East right of way in Spreads B & C. Because cultural resource data is contained on these supplemental alignment sheets, Rockies Express requests that the alignment sheets be treated as privileged and confidential pursuant to the Commission's regulations.

Due to the large and voluminous nature of the alignment sheets, Rockies Express is only filing one hard copy of each alignment sheet with the Secretary's office. In addition, a CD-ROM with the information listed above will be included with the filing.

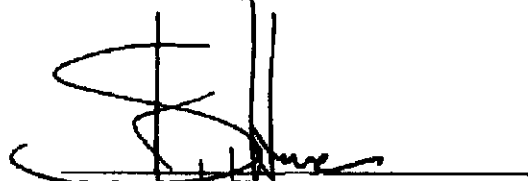

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
