Dear Customer:

Effective July 1, 2008, the prices, service descriptions, and the terms and conditions for certain telecommunications services that you are provided by First Choice Technology, Inc. ("First Choice") will no longer be on file at the Public Utilities Commission of Ohio (PUCO). This change is applicable to One Plus Services Only.

This modifications does not result in a change in the prices, terms or conditions of those services to which you currently subscribe. First Choice must still provide a customer notice of at least fifteen (15) days in advance of rate increases, changes in terms and conditions, and discontinuance of existing services. Additionally, this information is available by contacting us at (888) 598-0672.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file with the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call Scott Howsare at (888) 598-0672.

Respectfully,

First Choice Technology, Inc.
