Dear Valued Customer:

Effective July 1, 2008, the prices, service descriptions, and the terms and conditions for certain telecommunications services that you are provided by Covista, Inc. ("Covista") will no longer be on file at the Public Utilities Commission of Ohio (PUCO). This change is applicable to One Plus Long Distance services only.

This modification does not result in a change in the prices, terms or conditions of those services to which you currently subscribe. Covista must still provide a customer notice of at least fifteen (15) days in advance of rate increases, changes in terms and conditions, and discontinuance of existing services. Additional information on changes will be available on our Web site www.covista.com or by calling customer service at the number below.

Since these services will no longer be on file with the Commission, the agreement reached between the customer and the company will now control new services or changes in service, instead of the document on file with the PUCO. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions of the agreement.

If you have any questions about this matter, please call our customer service department at 1-866-454-7277 between the hours of 8:00 a.m. and 5:00 p.m. or email us at info@covista.com.
