**Exhibit E
Customer Notice**

June 13, 2008

Dear Customer:

Beginning on July 1, 2008, the prices, service descriptions, and the terms and conditions for long distance services that you are provided by Excel Telecommunications will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. Excel Telecommunications must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a catalog online at www.excel.com or you can request a copy of this information by contacting us at Excel Telecommunications, Attn: Customer Relations, 433 E. Las Colinas Blvd., Suite 1300, Irving, TX 75039 or at 1-888-407-3649.

Since long distance services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call Excel Telecommunications at the toll free number 1-800-875-9235 or visit us at www.excel.com. You may also visit the consumer information page on the PUCO's website at puco.ohio.gov for further information.

Sincerely,
Excel Telecommunications
