RE: In the Matter of the Application of Looking Glass Networks, Inc. to Detariff Certain Tier 2 Services in its PUCO Tariff No. 1.

Dear Ms. Jenkins:

On behalf of Looking Glass Networks, Inc., I am forwarding an Application to de-tariff all regulated nonresidential tier 2 services and to make other changes related to the implementation of Case No. 06-1345-TP-ORD. Included in the Application is the Commission's Telecommunications Application Form for Detariffing and related exhibits: Exhibit A (existing affected tariff pages), Exhibit B (proposed revised tariff pages, Exhibit C (narrative – summarizing changes proposed in the Application), Exhibit D (explanation of website and customer notice), Exhibit E (copy of customer notice sent via electronic mail) on June 13, 2008), and Exhibit F (affidavit indicating that customer notice was sent to customers). The attached revised tariff title page completely cancels the current tariff on file with the Commission.

This Application is made in order to conform Looking Glass Networks, Inc.'s Tariff No. 1 to the Commission's Competitive Retail Telephone Rules in Case No. 06-1345-TP-ORD. Certain Tier 2 regulated services that are not required to be tarified have been deleted with this filing.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen M. Hyde".

at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings online at www.level3.com or you can request a copy of this information by contacting Level 3 at 1-877-2level3, option 4 (253-8353).

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.
