To Whom it may concern PUCO

We have lived in our home for 28 years and have had to battle bad water and high water bills for our area - We are tired of it we had to have a water softener put in that is an extra expense on top of everything else. We disagree with the price rate increase and sincerely hope someone will check into it.

We want to stay in our neighborhood but when we retire we may not be able to afford it!

Please do what you can to check out the increase. Thank you.

Case number 07-1112-WS-QIR

Sincerely,

Mr. & Mrs. William Kent
