CASE NO. 08-599-TR-ORD – RULES FOR HOUSEHOLD GOODS

Comes now Ohio Association of Movers, Inc. (OAM), whose membership consists of approximately 155 registered movers with your Commission and hereby requests that the comment filing date of July 21, 2008 be extended to **September 5, 2008**, due to the fact that this is the movers “busy season”. We feel this justifies our request for an extension to the comment period.

OAM was not served with copy of Entry in above styled Case and after a telephone request did receive copy on July 7, 2008. Please add OAM to list of interested parties at address shown below.

As this Entry proposes several changes in present rules, your Petitioner needs additional time to fully analyze and confer with members in order to comment on the proposed changes on behalf of OAM.

As the Commission knows the present rules were last reviewed and effective May 31, 2001. It would appear that an extension until **September 5, 2008** would not cause undue hardship on any interested party and allow OAM to fully analyze the proposed amendments in order to file the appropriate comments in a timely fashion.

Respectfully submitted,

EDWIN L. BRAMER
Executive Director
