Case No. 07-1112-WS-AIR

PUCO

Att: Docketing Division
180 East Broad Street
Columbus, Ohio 43215

Dear Sir:

I wish to protest the newest rate increase request from Ohio American Water Company. I have been a resident of Glengarry Heights since 1969 have suffered silently through poor service and poor quality water (both situations have improved somewhat over the years). I was hoping to be able to remain in my house for my remaining years but utility increases such as this will make living in this community practically impossible for someone on a fixed income. Please help Ohio American Water to see that increases of this magnitude do not make them a "good neighbor".

Sincerely,

Helen Overly
