Re: Supplemental phase I archaeological survey report (Cloverdale Contractor Yard) pertaining to the Rockies Express Pipeline LLC's installation of a 622 mile long natural gas pipeline through Illinois, Indiana, and Ohio (FERC Docket #PF06-30-000; DHPA #1562)

Dear Ms. Krause:

Pursuant to Section 106 of the National Historic Preservation Act (16 U.S.C. § 470f) and 36 C.F.R. Part 800, the staff of the Indiana State Historic Preservation Officer ("Indiana SHPO") has conducted an analysis of the materials dated June 4 and June 11, 2008 and received on June 5 and June 12, 2008, for the above indicated project in Putnam County, Indiana.

Based upon the documentation available to the staff of the Indiana SHPO, we have not identified any historic buildings, structures, districts, or objects listed in or eligible for inclusion in the National Register of Historic Places within the probable area of potential effects for this portion of the project.

In terms of archaeology, we concur with the archaeological report that no currently known archaeological resources eligible for inclusion in the National Register of Historic Places have been recorded within this portion of the proposed project area. No further archaeological investigations appear necessary for the Cloverdale Contractor Yard.

If any archaeological artifacts or human remains are uncovered during construction, demolition, or earthmoving activities, state law (Indiana Code 14-21-1-27 and 29) requires that the discovery must be reported to the Department of Natural Resources within two (2) business days. In that event, please call (317) 232-1646. Be advised that adherence to Indiana Code 14-21-1-27 and 29 does not obviate the need to adhere to applicable federal statutes and regulations.

We appreciate the levels of effort for identifying and evaluating cultural resources for this project and look forward to continuing our review.

If you have questions about archaeological issues please contact Cathy Draeger at (317) 234-3791 or cdraeger@dnr.IN.gov. If you have questions about buildings or structures please contact Holly Tate at (317) 234-3919 or htate@dnr.IN.gov. Additionally, in all future correspondence regarding the above indicated project, please refer to DHPA #1562.

Very truly yours,

James A. Glass, Ph.D.
