Case # 07-1112-WS-AIR

Enough is enough. Please do not approve an increase in our water rates. Our rates are already higher than any other homes near us. Our rates are three times that of our two daughter, both of whom live just two miles from us in Columbus. Our water is not even of any quality. We use bottled water most of the time. Our water rates already have a negative influence on the values of our homes.

Thanks
