Re: Amendment to Joint Stipulation and Recommendation
In PUCO Case No. 07-1285-GA-EXM

To Whom It May Concern:

Attached is a signature page that reflects the signatory parties' support of the proposed Amendment filed on July 3, 2008 in the above referenced case. However, while Stand Energy was a signatory party to the Joint Stipulation and Recommendation and the Amendment, because it has not participated in negotiations relating to the Amendment, Stand Energy's signature is simply a representation that it does not object to the Amendment.

Also, while the Ohio Partners for Affordable Energy was not a signatory party to the Joint Stipulation and Recommendation, it has represented that it will not oppose the Amendment.
