The Dayton Power and Light Company ) Case No. 08-651-EL-UNC  
For Approval of a Revised Bill Format )  
For Electric Service )

---

**THE DAYTON POWER AND LIGHT COMPANY'S NOTICE OF FILING  
SUBSTITUTE EXHIBITS 1 AND 2 TO APPLICATION TO REVISE BILL  
FORMAT**

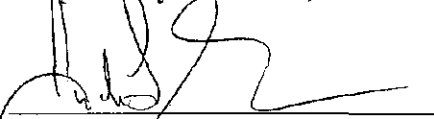

---

The Dayton Power and Light Company ("DP&L") filed an application for approval of a revised bill format for electric service on May 29, 2008. The Office of Ohio Consumers' Counsel ("OCC") moved to intervene on June 16, 2008. In its motion to intervene, the OCC pointed out that the sample bill formats attached as Exhibits 1 and 2 to DP&L's Application were the incorrect documents, containing outdated language.

In its response to the OCC's motion to intervene, DP&L acknowledged inadvertently attaching the wrong documents as Exhibits 1 and 2, and indicated it would be substituting the correct exhibits. Consequently, DP&L hereby gives notice of substitution of the sample bill formats attached hereto as Exhibits 1 and 2 for those attached to the initial application.

This is to certify that the images appearing are an  
accurate and complete reproduction of a case file  
document delivered in the regular course of business

<b>"CALL BEFORE YOU DIG"</b>	1-800-362-2764		
<b>EXPLANATION OF BILLING TERMS</b>			
<b>ACTUAL READING</b>	A reading taken from your meter.		
<b>CUSTOMER CHARGE</b>	The fixed monthly basic distribution charge to partially cover costs for billing, meter reading, service line maintenance and equipment.		
<b>DISTRIBUTION CHARGE</b>	Charge for moving electricity over electric distribution lines to your home or business.		
<b>TRANSMISSION RELATED CHARGES</b>	The amount the utility or a supplier charges for operating and maintaining the electric transmission system.		
<b>ESTIMATED READING</b>	(EST or E) On the months we do not read your meter, we calculate your bill based on your past usage. Adjustments may be needed later when we take an actual meter reading. If you would like to read your own meter to avoid estimated bills, call the account information number on the front of the bill with your meter reading.		
<b>GENERATION CHARGE</b>	Charge associated with the production of electricity. Only customers who purchase generation service from DP&L pay this charge.		
<b>GENERATION RIDER</b>	Charge associated with the production of electricity. All customers pay this charge, regardless of whether generation service is purchased from DP&L or another provider.		
<b>GENERATION CREDIT</b>	If you are purchasing your generation from another supplier, the amount DP&L is removing from your bill.		
<b>KILOWATT-HOUR (KWH)</b>	The unit measure for electricity. For example, you use one kilowatt-hour of electricity to light a 100-watt bulb for 10 hours.		
<b>LATE PAYMENT CHARGE</b>	A 1 1/2% late charge added to the overdue amount if you do not pay your bill by the due date for prompt payment.
