Re: Authorization to Start Construction of Spread C

Dear Ms. Weekley:

Based on our review of the information you filed on various dates in June and July 2008, I approve your request to start construction of the Spread C (mileposts 190.66 to 238.2 in Illinois) of the Rockies Express-East Pipeline as shown on the alignment sheets filed on July 1, 2008 (including all reroutes, extra workspaces, valves and access roads) with the following exceptions. Based on the information provided in your July 3, 2008 filing, no construction activities may take place (including clearing or use of travel lanes) between:

- ☐ The west side of County Road 510 E (MP 192.7) and the east side of North County Road 590 E (MP193.6);
- ☐ The western edge of tract IL-DG-086.00 (MP 202.1) and the east side of North County Road 1525 E (MP 203.1); and
- ☐ The west side of North 1775th Street E (MP 232.6) and the east side of North 2200th Street E (MP 236.7).

In order to construct in these areas you must, complete the National Historic Preservation Act process, and receive written approval to construct in these areas.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
Technician TM Date Processed 7/21/2008

This approval is in accordance with Environmental Conditions 1-6, 12-20, 22-23, 47, 53-55, 59, 62-64, 72-75, 79-83, 85-93, 97-98, 105-110, 114-115, 140-141, and 143 of the Commission's May 30, 2008 Order (Order).

This letter does not authorize commencement of construction of other Rockies Express LLC (Rockies Express) facilities. I remind you that Rockies Express must comply with all applicable remaining terms and conditions of the Order, including written authorization before commencing construction of the project.

Sincerely,

Laura Turner,
Environmental Project Manager
