RE: Docket No. CP07-208-000
Rockies Express Pipeline LLC, REX-East Project
Supplemental Information- Spreads A-1

Ms. Bose:

Rockies Express Pipeline LLC ("Rockies Express") hereby clarifies Table 2-4, "Construction Exclusion Zones," previously filed for Spread A-1 of the REX-East Project in the above-referenced docket. The new Table 2-4 is labeled: "Revision 1 - July 18, 2008."

Rockies Express withdraws its request for a variance at Milepost 19.5 for full right of way ("ROW") through the wetland at this location, WT-MO-19-A. Rockies Express will reduce its construction ROW at this location to 75 feet.

Furthermore, Rockies Express commits to full repair and restoration of all areas disturbed during construction, including travel lane areas used on the Panhandle Eastern ROW. Rockies Express will ensure that construction and restoration of these areas, mostly in agricultural areas, are performed in accordance with all appropriate plans filed with the Commission.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
