Re: Case No. 05-1090-EL-ATA and 89-6004-EL-TRF

Dear Ms. McCauley:

The Dayton Power and Light Company would like to withdraw the Storm Cost Recovery Rider effective July 24 2008. Based on Case No. 05-1090-EL-ATA, the Company was authorized to implement this rider, which was associated with storm damage costs, until the costs identified were recovered or two years, whichever was shorter. Accordingly, we expect to be near full recovery after billing on July 24, 2008 and therefore are hereby filing to discontinue the rider as of that date. The effective date of the new, Reserved For Future Use Tariff should be July 25, 2008.

Thank you for your assistance and your attention to this matter. If you have any questions please feel free to call me at (937) 259-7808.

Very truly,

Dona Seger-Lawson
Director, Regulatory Operations
