RE: The East Ohio Gas Company / Dominion East Ohio and the Discussion of an Administrative Rate Increase

On behalf of the Board of Trustees of Boardman Township, who were elected to represent the 40,000 residents in our community, I am asking that the administrative rate increase being proposed by The East Ohio Gas Company/Dominion East Ohio be further reviewed. At a time where the U.S. economy is suffering through increased home foreclosures, higher petroleum costs, and increasing unemployment, this new administrative rate increase will only further hurt those in the community that are already struggling to stay financially viable.

Sincerely,

Jason Loree  
Township Administrator
