MEMORANDUM IN SUPPORT

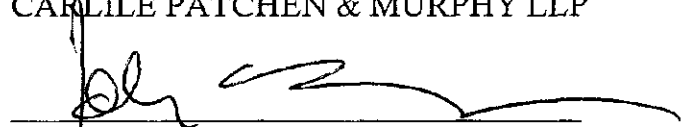

Volunteer Energy filed its renewal application for natural gas governmental aggregation on July 30, 2008. The reason for the delay was a misunderstanding on which party would be responsible for ensuring the filing deadline was met. In order to provide the PUCO with the requisite 30 days to review the renewal application, Volunteer Energy requests that its current certification be extended until August 30, 2008.

Volunteer Energy maintains that this extension will not prejudice any party.

WHEREFORE, Volunteer Energy respectfully requests that the Commission grant its Motion for Extension of Certification Expiration Date.

Respectfully submitted,
