Hear Commissioners:

Regarding the rebate of Columbia Gas.

Thousands of consumers are going to be paying an additional \$6.10 per month for 36 months. In the meantime, a small portion will be receiving a minimal rebate. The rest of us who are renters or Condo owners can't take advantage of the program.

At the end of three years, I can only imagine the size of the total receipts that Columbia Gas will amass.

We all know where that will go. To me, it is a "back-door" approach to a rate increase.

Think long and hard before you agree to that. This program involves a lot of regular folks.

Respectfully,

Betty M. Runkle

an 85y. old Condo owner.
